

# COVID-19 LOCAL RESTRICTIONS IN ENGLAND

## TENNIS ACTIVITY BY TIER

### KEY POINTS

- This grid outlines a summary of the baseline restrictions for each tier of restrictions across England – for some areas, Local Authorities may impose additional restrictions that may further have a bearing on what tennis activity can take place
- Where activity is listed as permitted, this may still be subject to additional restrictions and protocols - venues, coaches, players and officials should therefore refer to the LTA's full COVID-19 secure detailed guidance before undertaking any activity
- The same Tier 2 and Tier 3 rules also apply to people from these areas even if they travel to a Tier 1 area
- The Government have confirmed that there is an exemption for tennis activity for disabled people and for under 18s (and also for organised activity for education) and it is safe and appropriate for activity for these groups to continue indoors in both Tier 2 and Tier 3 areas as long as it is done in line with the LTA's COVID-19 Secure guidelines for players, venues, coaches and officials
- These exemptions also apply to travel and accommodation guidelines for Tier 3, so these groups (plus parents/guardians and any necessary workforce) can travel into and out of Tier 3 areas for tennis activity and stay overnight where this is necessary to facilitate participation
